SBA's Deadline to Apply For Physical Damage Disaster Loans Is September 2

ATLANTA – The U.S. Small Business Administration reminds homeowners, renters, businesses and non-profit organizations of the deadline to submit disaster loan applications for damage caused by the Queen Anne's Gate Apartments fire that occurred on June 14, 2008. The deadline to file an application for physical damage is September 2, 2008.

Homeowners, renters, businesses and non-profit organizations in the counties of Bristol, Middlesex, Norfolk, Plymouth, Suffolk, and Worcester in the Commonwealth of Massachusetts and Providence County in the State of Rhode Island are eligible to apply to SBA.

SBA offers loans up to \$200,000 to repair disaster damaged primary residences. Homeowners and renters are eligible for loans up to \$40,000 to replace personal property such as furniture, appliances and clothing. Loans to businesses of all sizes and non-profit organizations are available up to \$2 million to repair damage to real estate, inventory, machinery and equipment. Economic Injury Disaster Loans (EIDLs) are also available to small businesses, and non-profit organizations of all sizes unable to pay bills or meet operating expenses because of the disaster.

Interest rates are as low as 2.687 percent for homeowners and renters and 4 percent for businesses with terms up to 30 years. Loan amounts and terms are set by SBA and are based upon each applicant's financial condition.

Additionally, disaster victims with insurance should not wait for an insurance settlement before applying to SBA. If victims do not know how much of their loss will be covered by insurance or other sources, SBA will consider making a loan for the total loss up to its loan limits, provided the borrower agrees to use insurance proceeds to reduce or repay their SBA loan.

SBA also offers mitigation funds to disaster victims. SBA's mitigation funds are designed to help borrowers fund protective measures which may prevent damages of the same kind in the future. To help fund these protective measures, borrowers may request up to 20 percent of their verified physical losses.

Disaster victims may obtain an application by calling the SBA's Customer Service Center at 1-800-659-2955 (1-800-877-8339 for the hearing-impaired), Monday through Friday from 8 a.m. to 9 p.m., and Saturday and Sunday 9 a.m. to 6 p.m. EDT or by emailing our customer service center at disastercustomerservice@sba.gov. Business loan applications can also be downloaded from www.sba.gov/services/disasterassistance. Completed applications should be mailed to: U.S. Small Business Administration, Processing and Disbursement Center, 14925 Kingsport Road, Fort Worth, TX. 76155.

The filing deadline to return applications for physical damage is September 2, 2008. The deadline to return economic injury applications is April 3, 2009.
