SBA Stands Ready to Assist Georgia Residents Affected by Severe Storms, Flooding and Tornadoes

WASHINGTON – Following the announcement of the Presidential disaster declaration in Georgia for several counties affected by the severe storms, flooding and tornadoes on March 26, 2009 and continuing, Administrator Karen G. Mills of the U.S. Small Business Administration issued the following statement:

“The U.S. Small Business Administration is strongly committed to providing the most effective and customer-focused response possible to assist homeowners, renters, and small businesses with federal disaster loans. Getting our businesses and communities up and running after a disaster is our highest priority at SBA.”

The disaster declaration covers Berrien, Brantley, Brooks, Coffee, Colquitt, Decatur, Dougherty, Echols, Lanier, Lowndes, Miller, Mitchell, Pierce, Tift, Ware, Wheeler and Worth counties in Georgia, which are eligible for both Physical and Economic Injury Disaster Loans from the SBA. Small businesses and most private, non-profit organizations in the following adjacent counties are eligible to apply only for SBA Economic Injury Disaster Loans: Appling, Atkinson, Bacon, Baker, Ben Hill, Calhoun, Camden, Charlton, Clinch, Cook, Crisp, Dodge, Early, Glynn, Grady, Irwin, Jeff Davis, Laurens, Lee, Montgomery, Seminole, Telfair, Terrell, Thomas, Treutlen, Turner and Wayne in **Georgia**; and Baker, Columbia, Gadsden, Hamilton, Jefferson, and Madison in **Florida**.

Disaster loans up to \$200,000 are available to homeowners to repair or replace damaged or destroyed real estate. Homeowners and renters are eligible up to \$40,000 to repair or replace damaged or destroyed personal property.

Businesses and non-profit organizations of any size may borrow up to \$2 million to repair or replace damaged or destroyed real estate, machinery and equipment, inventory, and other business assets. SBA can also lend additional funds to help with the cost of making improvements that protect, prevent or minimize the same type of disaster damage in the future.

For small businesses, and most private, non-profit organizations of all sizes, the SBA offers Economic Injury Disaster Loans to help meet working capital needs caused by the disaster. Economic Injury Disaster Loan assistance is available regardless of whether the business suffered any physical property damage.
