SBA’s Deadline for Economic Injury Disaster Loans For Private Non-Profit Organizations Is June 5

ATLANTA – The U.S. Small Business Administration reminds eligible Private Non-Profit Organizations (PNPs) of the **June 5** deadline to submit disaster loan applications for Economic Injury caused by severe storms and flooding that occurred July 24 through August 14, 2008.

Private Non-Profit Organizations (PNPs) located in Belknap, Carroll, Coos, Grafton, Merrimack, Rockingham, Strafford and Sullivan counties in the State of New Hampshire; contiguous county of Oxford in the State of Maine; and the contiguous counties of Caledonia, Essex, Orange, and Windsor in the State of Vermont are eligible to apply to SBA. Eligible PNPs are those that provide non critical services such as: food kitchens, homeless shelters, museums, libraries, community centers, schools and colleges.

The SBA offers Economic Injury Disaster Loans to help meet working capital needs, such as ongoing operating expenses for PNP organizations of all sizes. Economic Injury Disaster Loan assistance is available regardless of whether the business suffered any physical property damage.

Interest rates are as low as 4 percent with terms up to 30 years. Loan amounts and terms are set by the SBA and are based on each applicant’s financial condition.

“PNP organizations are urged to contact their County Emergency Managers to obtain information about local briefings. At the meeting, PNP representatives will need to provide information about their organization,” said Frank Skaggs, Director of SBA Field Operations Center East.

This information will be used to submit a “Request for Public Assistance” which FEMA uses to determine if the PNP provides an essential governmental service and meets the definition of a “critical facility.” Based on that conclusion, FEMA will either refer the PNP to SBA for disaster loan assistance or possibly provide a “Public Assistance” reimbursement grant for eligible costs.

Disaster loan information and application forms may be obtained by calling the SBA’s Disaster Assistance Customer Service Center at 1-800-659-2955 (for the hearing-impaired 1-800-877-8339) Monday through Friday from 8 a.m. to 9 p.m. and Saturday 9 a.m. to 9 p.m. EDT or by sending an email to disastercustomerservice@sba.gov. Those affected by the disaster may apply for disaster loans from SBA’s secure website at <https://disasterloan.sba.gov/ela/>. Applications can also be downloaded from www.sba.gov/services/disasterassistance. Completed applications should be mailed to: U.S. Small Business Administration, Processing and Disbursement Center, 14925 Kingsport Road, Fort Worth, TX 76155.

The deadline to return economic injury applications is **June 5, 2009**.
