SBA Closes Disaster Loan Outreach Centers on Thursday

ATLANTA – The U.S. Small Business Administration reminds disaster victims today that Thursday is the last day to get one-on-one assistance at the Rochester Fire Department and LaPorte Parks/Recreation Department Centers. These two Disaster Loan Outreach Centers (DLOCs) will cease operation **Thursday, May 28** at the close of business. The Winamac Municipal Utility Complex Center in Pulaski County and White County Emergency Management Agency Center will remain open until further notice.

“Assisting individuals and business owners to recover from a disaster is our primary mission,” said Frank Skaggs, director of SBA Field Operations Center East. “We are encouraging anyone affected by this disaster to visit a center while we still have staff here and obtain individual assistance with completing their loan applications from our representatives.”

Many residents and businesses that have registered with FEMA for assistance have received an SBA disaster loan application. Completing the loan application and returning it is a crucial step toward disaster recovery. Homeowners and renters unable to obtain a disaster loan from the SBA may be referred to FEMA for grant consideration. To be eligible for these grants, applicants must submit their SBA loan application even if they do not want a loan. No one is required to accept a loan.

SBA Closes Disaster Loan Outreach Centers

“Loans up to \$200,000 are available to homeowners to repair or replace damaged or destroyed real estate. Homeowners and renters are eligible for up to \$40,000 to repair or replace damaged or destroyed personal property,” Frank Skaggs added.

Businesses of any size and non-profit organizations may borrow up to \$2 million to repair or replace damaged or destroyed real estate, inventory, machinery and equipment. The SBA can also lend additional funds to help with the cost of making improvements that protect, prevent or minimize the same type of disaster damage from occurring in the future.

For small businesses and private non-profit organizations of all sizes, the SBA offers Economic Injury Disaster Loans (EIDLs) to help meet working capital needs caused by the disaster. EIDL assistance is available regardless of whether the business suffered any property damage.

Interest rates are as low as 2.187 percent for homeowners and renters, and 4.000 percent for businesses with terms up to 30 years. Loan amounts and terms are set by the SBA and are based on each applicant’s financial condition.

Anyone unable to visit one of the Centers may obtain information and loan applications by calling the SBA’s Customer Service Center at 1-800-659-2955 (or 1-800-877-8339 for the hearing impaired) Monday through Friday from 8 a.m. to 9 p.m., EDT, or by sending an email to disastercustomerservice@sba.gov.
